

Idaho Pour Authority Community Fundraisers

IPA is committed to supporting local non profit organizations in the Sandpoint area. All fundraisers must contribute positively to the Sandpoint community in a non-political and non-religious way.

Full fundraising events will last for a week, beginning the Thursday prior to the last Wednesday of the month, and ending on the last Wednesday of the month. During this week, the non profit has the opportunity to utilize space in IPA for raffle/silent auction items. The last Wednesday of the month will conclude the fundraiser with an event evening including live music and a brewery tap takeover. A “non profit” keg will be tapped on the beginning Thursday and a dollar from every pint sold will benefit the non profit.
